Yes sorry was just thinking about that. I am delinquent in issuing the letters and have had the doc open and on my screen for two days. I was going over Mary's last version and found a couple of issues. Here is my redline of the last version Mary sent. This is the recipient letter. Can you please make the complainant letter conform and put in final format and send to Brenda to ready them for sig tomorrow? Thanks so much!

I checked in with Mary earlier to see if she had a the latest versions of the HI letters, but she told me that you may have them. Did you need me to update them based on the email communication between you and Mary from yesterday? If so, can you forward the documents to me?

Hi Brittany, here is what I think is a final draft. Could you please go over it carefully to make sure it does not leave out anything. **Ex. 5 AC/DP** Also, can you prepare the letter to complainant? If we can put everything in final on Monday I can sign it then. Thanks!
